New Member Benefit For Massachusetts Farm Bureau Federation Members

Massachusetts Farm Bureau Federation is pleased to announce that its members can now receive a \$500 bonus cash offer from Ford Motor Company or \$750 Lincoln Motor Company on a purchase or lease of a new qualifying vehicle. You must be a Farm Bureau member in Massachusetts for 30 consecutive days prior to purchase or lease.

"Ford Motor Company remains dedicated to expanding our Farm Bureau association, and

we are extremely pleased to now include the Massachusetts Farm Bureau,” said Kevin Cour, Director, U.S. Retail Operations. “Ford continues to support the ever-important sector of agriculture and farming for what it means to those wholly committed to feeding the nation – and the world – in regularly challenged economic and environmental conditions. If we can help this vital group of hard-working Americans to own an F-150, the nation’s best-selling truck for 42 years, our nation’s farmers get equipment that can work as hard as they do.”

Visit fordfarmbureauadvantage.com or LincolnFarmBureauAdvantage.com or see your authorized Ford or Lincoln Dealer for qualifications and complete details.

Ford Program Disclaimer:

Farm Bureau Bonus Cash is exclusively for active Farm Bureau members who are residents of the United States. This incentive is not available on Shelby GT350®, Shelby® GT350R, Mustang BULLITT, Ford GT, Focus RS and F-150 Raptor. This offer may not be used in conjunction with most other Ford Motor Company and Lincoln Motor Company private incentives or AXZD-Plans. Some customer and purchase eligibility restrictions apply. Must be a Farm Bureau member for 30 consecutive days prior to purchase and take new retail delivery from dealer by January 2, 2020.

The Massachusetts Farm Bureau Federation is a non-profit organization representing nearly 6,000 family members across the Commonwealth. MFBF is an advocate for farmers, run by farmer members who develop policies through its grassroots process. Its mission is "to protect the rights, encourage the growth, and be of service to its members, in the best interest of agriculture."
